NOTE FOR FILE

1. A meeting was held in F6's office at 1130 on 11 August with DCI Trevor Butler and DI HN68 of the SDS. Also present was F6[redacted], F7[redacted], F7[redacted], F7[redacted] and F7[redacted].

2. As on the previous occasion, this meeting was an opportunity for the SDS to meet the Security Service desk officers and discuss mutual problems. Each desk officer put up matters of interest. In the case of F7[redacted] gave the SDS an up to date list of all known members of the RCP. This had been requested by the SDS as they now have a source operating in that field. They said they hoped that it would be possible to investigate the RCG as well.

3. F7[redacted] also produced a brief (attached to this serial) but only the Annex was passed to the SDS. The content of the brief was gone through and later when I was alone with the SDS they said that they were very appreciative of this particular brief and that they would try and amend their reporting to take into account our requirements.

4. F7[redacted] also produced a brief which was handed to the SDS. DCI Butler said that they were looking into the possibility of placing a source in the RCPB(M-L) or one of the other Maoist groups, but that it was proving quite difficult.

5. At the end of the meeting we went up to the bar for a drink and later had a pub lunch in the "Two Chairman" in Queen Anne's Gate. It was agreed that we would meet again at CSH at 1200 on Tuesday 8 September.
