Subject: On behalf of the NPSCPs

Dear Inquiry team

The NPSCPs' settled positions in relation to the position statements served by the Slater and Gordon officers, Peter Francis and Mark Kennedy will depend on the receipt of further information from the State parties, in particular in relation to any potential sanction on retired officers and whether or not it will be such as to present a real deterrent to frank participation. We note that the Inquiry has confirmed that we are at liberty to modify this position after receipt of statements to be served by the State parties.

Yours faithfully

The NPSCP RLRs
