Morning [REDACTED] OTH 9

I had a meeting with [REDACTED] and [REDACTED] yesterday around NCTPHQ's involvement with Operation Filesafe.  
BAND C6 BAND A1

The position at present is as follows;

- NCTPHQ (or ACPO TAM) is independent of the MPS.
- Filesafe will have NO jurisdiction over NCTPHQ.

However...

- NCTPHQ WILL follow best practice and will use and try to adopt the Operation Filesafe solution.  
BAND C6

[REDACTED] (copied in to this email) will come along to the Working Group meetings, can I request that you add her to the invite list? I will continue to attend representing SO15 and all other SO Units.

Many thanks.

Kind Regards

[REDACTED]

Dear [REDACTED] BAND D7

Just to let you know, the meeting for the 12th November has been cancelled, so I just wanted to know whether you had made any progress with your actions from the last meeting?

- To make enquiries with International Operations to ascertain how much material/documents they would have at their international sites.
- To approach ACPO-TAM to ascertain whether they would like you to represent them at the Working Group meetings or if they would like their own representative.

Thank you.

Kind regards,

[REDACTED] OTH 9

BAND A1 Many apologies, I won't be able to make the working group tomorrow or on 12th November. I am meeting with [REDACTED] who sits on the group above me in the next few days so I will ask that any actions that are passed to SO15 / SO or NCTPHQ are passed my way.

Apologies again.

Kind Regards
