

### **Inquiry expenditure**

As part of our commitment to the transparency of the work of the Inquiry, we are publishing details of our expenditure on a quarterly basis, around the 15<sup>th</sup> of the month following the end of the quarter. This publication covers total expenditure up to the end of June 2017.

The figures cover only expenditure where invoices have been processed and as such do not necessarily represent expenditure within any given quarter. All figures have been rounded up to the nearest hundred.

The final costs of the Inquiry will be published at the close of the Inquiry once all invoices have been received and settled. The categories in the table below may expand during the progress of the Inquiry.

Preliminary hearings commenced on 7 October 2015 and may continue through 2017.
