Hi *Name*,

There is no problem with passing the comments to the Public Inquiry's lawyers.

They might also like to know that, due to the immense pressures *N294* was undoubtedly under, *N294* was eventually retired on ill-health/stress related, and *details of additional medical factor*.

Sorry, not trying to be flippant, but people could do with knowing the cost of keeping the general public safe!

Thanks for all your help, please do not hesitate to get in touch if there is anything further we can do to help.

Cheers
