

**Recognised Legal Representatives Ruling 20
Costs of Legal Representation Awards Ruling 19**

**Movement for Justice by any means necessary, Alex Owolade, Karen Doyle,
Antonia Bright and Tony Gard**

1. On 25 October 2018 I designated those named above as core participants in category [K]. Mike Schwarz represents others in the same category and is thoroughly familiar with the work of the Inquiry. Each requires legal representation. I shall designate him as their recognised legal representative.
2. Mike Schwarz has provided information to me about the applicants' means, which I accept. I am satisfied that each fulfils the requirements of rule 5 (2) (b) of the Inquiries Rules 2006. I make an order for costs in their favour under section 40 (2) of the Inquiries Act 2005. The basis of assessment will be the same as in the case of other core participants in this category for whom he is the recognised legal representative.
