

Additional information from closed risk assessment to be considered with open application with HN66/EN327's restriction order application:

This officer was deployed in the NPOIU in the late 1990s/early 2000s. He had passed a short initial undercover training course upon joining the NPOIU but failed the MPS undercover officer training course (National Undercover Training Advanced Course) whilst seconded to the NPOIU. This officer later joined the SDS.

This officer is no longer a police officer and has worked in a limited way as a private investigator.
