Witness: 2 [REDACTED] HN326

Occupation: Retired

Address: c/o Metropolitan Police Service, Directorate of Legal Services, Empress State Building, SW6 1TR

1. I have been asked to provide a witness statement for the purpose of assisting the Undercover Policing Inquiry.
2. I have been shown eight photographs, as set out below, which were provided to the Undercover Policing Inquiry. I have been asked to identify whether I am in any of the photographs and whether I can confirm the identities of any one else in the photographs.
3. MPS-0735438 is a photograph of (left to right) possibly Dave Fisher and Ray Wilson. I am certain the person on the right is Ray Wilson, but cannot say for sure that the person on the left is Dave Fisher. I cannot remember the name of the person stood in the background, on the right hand side; I remember that he had a Scottish accent.

4. MPS-0735439 is a photograph of the original Hairies. It looks like the photograph was taken in Scotland Yard. I can identify the following people in the photograph:

- a. In the top row (left to right): Bill Furner (top of head visible), 3 HN68
4 HN329 and possibly Dave Fisher.
- b. In the middle row (left to right): 5 HN330 Mike Tyrrell, 6 HN321
Ray Wilson (profile of face visible), 7 HN334 Riby Wilson and Roy Creamer.
- c. In the bottom row (left to right): 8 HN332 Helen Crampton,
Conrad Dixon, Joan Hillier, Phil Saunders and 9 HN331

5. MPS-0735441 is a photograph of:

- a. In the top row (left to right): Roy Creamer, Barry Moss, Ray Wilson, Ferguson Smith and me.
- b. In the bottom row (left to right): 10 HN332 Phil Saunders, Helen Crampton, Conrad Dixon, 11 HN334 and 12 HN68

6. I think MPS-0735441 was taken in the conference room at Scotland Yard, but I cannot remember when this photograph was taken. Indeed, I do not remember the photograph being taken.

7. MPS-0735442 is a photograph of (left to right) Helen Crampton, Joan Hillier and

HN334 13

8. MPS-0735443 is a photograph of Conrad Dixon.
