Omar Waraich of GR - Celebrity Contacts

Intelligence:

In recent weeks and months Omar Waraich has become close to the 'celebrity activist' scene. He has maintained close contact with the television and film actress [Privacy] who has attended a number of GR meetings and protests because of her acute concerns about the African HIV/AIDS catastrophe. He has gone out for dinner with [Privacy], Tariq Ali and [Privacy] on at least two occasions, and is clearly revelling in being accepted into such company.
