MEMORANDUM

*Gen King*

Commander Cunningham

1. With reference to the Special Operations Squad expenditure:-
2. To date \$1,300 has been drawn from the allotted budget of \$3,500. The cash balance at 20th May, 1970 is \$88.15.2.
3. In addition to the H.S. flat there are now eight officers occupying furnished accommodation for which rent is being paid, an increase of one since my memorandum dated 1st April, 1970.
4. It was previously estimated that \$500 would be sufficient for expenses for a two-month period. This estimate is still valid and I therefore ask that [redacted] [1] be requested to provide this sum for the two months ending 1st August, 1970. The cash book and cash balance are submitted herewith
