Special Branch

26 April 1971

26.4.
Commander Cunningham

1. With further reference to the Special Operations Squad expenditure:-
2. On 12.2.71 £800 was received from 1 F2 which was the initial drawing on the financial allocation for the current year.
3. It was estimated that the £800 would be sufficient to cover expenses for the period ending 30.4.71; the balance in hand today, 26.4.71, is £47-16.
4. I anticipate that £700 will be required for the two month period ending 30.6.71 and I ask that 2 be requested to provide this sum. The cash book, docketts and cash balance are available for examination.
