Commander Operations

1. With reference to Special Operation Squad expenditure:

2. In December 1971 we received approval of our proposed 1972 budget of £4,500 with a proportionate additional sum for the period ending 31 March 1973. We have, so far, drawn £4,000 of which the balance is £20.89½.

3. I ask, therefore, that 1, F2, be requested to provide a further £800 as a sixth instalment of our allocation. This sum, according to present expenditure, will meet our commitments until January 1973.
