MEMORANDUM

Commander Rodger

1. With reference to the Special Operations Squad expenditure:-

2. As you know, we recently received approval for our proposed 1972 budget of £4,500, with a pro rata additional sum for the period ending 31 March 1973. The current cash balance, the residue of the 1971 allocation, is now only some £35.

3. I ask therefore that 1 [REDACTED], F.2, be requested to provide £800 as a first payment of our new budget. This sum, according to present costings, will be sufficient until the early part of March 1972.
