A number of V.S.C. supporters assembled at Conway Hall, Red Lion Square, W.C.1 at 7.30 p.m. on the 29th October 1968, to attend a national "report-back" meeting. However, due to an administrative error the event received insufficient publicity, and the meeting was postponed for the time being. A general discussion took place in the street outside the hall, and Pat JORDAN said that it had been decided to hold a further mass demonstration in March, 1969. Details would be announced at a public meeting of V.S.C. adherents in about two weeks time.
