6 1 day of November 1971

SUBJECT Lambeth
I.S.

1. The following information has been received from a reliable source:-

2. "On Tuesday 26 October 1971, at [redacted] Privacy an extraordinary business meeting was held by the Lambeth branch of I.S. The meeting, which began at 8 pm and ended at 10.30 pm was attended by 18 persons. The Chairman was [redacted] Privacy

3. The meeting was called to discuss a Branch resolution to be put at the special conference due to be held in Birmingham on 9 December 1971 to discuss the expulsion of the Trotskyist Tendency.

4. [redacted] Privacy first read out the resolution which would be moved by the National Committee at the conference; it reads:-

"The fusion between I.S. and 'Workers Fight' has never been effectively carried out. Therefore, this Conference resolves:

a) that the fusion be dissolved, with reversion to the 1968 situation of two separate organisations;

b) that within 28 days members of the present 'Trotskyist Tendency' shall opt for one or the other organisation;

c) that a liaison committee be then established between the two organisations to discuss co-operation in practical activity and to explore the possibility of a new and more firmly based fusion in the future."

5. The discussion which followed was lengthy and at times quite heated. It was generally agreed that part (c) of the resolution was a piece of "whitewash", and that it was only inserted to cover up the real substance of the resolution, namely part (a).

6. At the end of the discussion, the branch agreed on a lengthy amendment of this resolution, but as there were certain to be several different amendments from the various other branches, it was not worthy of record at this stage

7. Amongst those present at the meeting were:-
