Special report

SEARCHED

Date: 27/10/70 Initials: [Redacted] 1

15 day of May 1970

SUBJECT

STST

1. The following information has been received from a reliable source:-

2. "A meeting of the North West London Stop the Seventy Tour Committee was held on Wednesday 13 May 1970 at Friends Meeting House, Heath Street, NW3. It commenced at 8.15 pm and terminated at 10.45 pm and was chaired by [Redacted] Privacy. The meeting was attended by 13 persons.

3. [Redacted] Privacy announced that the National STST had advocated a National Bill-posting Week from 18 - 22 May to publicise the campaign. This would entail a massive fly-posting operation throughout the country and in London each group would take responsibility for its particular area. Further details of the NW Group's activities have yet to be finalised.

4. She then stated that as a "follow-up" to the SE London Group's attempt to "smother the Oval with posters", the NW Group would organise something for Lords, probably in the week 25 - 29 May 1970. Unlike the SE STST, however, the Group would organise a peaceful demonstration and the suggestion of a non-denominational service at midnight at either the Church or Synagogue opposite Lords followed by a torchlight procession, appeared to have a fair measure of support.

5. The Group are to mobilise support for the demonstration on 1 June at Heathrow when the Springboks are allegedly due to arrive. Those taking part are to meet at 6 am in the car park behind the Town Hall at The Burroughs NW4 and will then drive through Harrow, meeting a further contingent there, and then to the Airport.

6. Among those present were the following:
