Future Activities: It was announced that B.V.S.F. would participate in the forthcoming marches on May 11th (Palestine) and May 18th (Equal Rights for Women).

Remarks:

The meeting was very brief in view of the fact that a number of members were not aware that a meeting was being held.

MANCHANDA outlined to those present a number of books and essays, predominantly dealing with the question of equal rights for women, in order that members could, read, and therefore, know something of the subject when it comes up for discussion following the demonstration on May 18th.

Privacy added that it was necessary for all members of B.V.S.F. to obtain as much theoretical background to this type of question if they were to begin to understand the "fuller meaning of the formation of a party based on Mao Tse Tung's thought".

Officers Present: D.S. Ferguson.
