Whilst attending to another matter at the "Dolphin" P.R., Bidborough Street, W.C.1., I overheard a meeting of the Irish Civil Rights Solidarity Campaign at which a decision was made by about 15 to 20 young persons to go immediately to the Ulster Office, Berkeley Street, W.1. with the intention of causing mischief. The group were in a militant mood and may cause malicious damage.

Message 10 5936/69 refers to the same incident, action thereon
