Special Report }

SUBJECT Anti-Internment League

Reference to Papers 400/72/187

1. The following information has been received from a reliable source:
2. "Since the recent conference of the Anti-Internment League (AIL) at which the International Marxist Group (IMG) gained effective control of the organisation leaders of the old Irish Solidarity Campaign (the Irish front organisation of the IMG) have been making vigorous attempts to urge all IMG supporters to attend AIL meetings.
3. The IMG have circulated all contacts of the ISC asking them to attend meetings. The IMG has now become so confident of its position within the AIL that these circulars are headed "Central London Anti-Internment League. Formerly ISC."
4. They have arranged a series of meetings at the General Picton PH, Caledonian Road for the future and on 27 October 1972 a social will be held in the same place to enable persons to become better acquainted. As a part of the new policy of the AIL (formulated by the IMG), more active interest will be taken in local Irish matters.
