1. The following information has been received from a reliable source:

2. "A demonstration will be held under the auspices of the Anti-Apartheid Movement and the National Union of Students at 2.00 pm on Friday 9 June 1972 outside South Africa House, where letters of protest against the "brutality" of the South African Police to demonstrators at Cape Town Cathedral, will be handed in.

3. This demonstration is expected to be very well supported by the AAM and particularly by the NUS as it was mostly students "who suffered at the hands of the police in Cape Town".
