1. The following information has been received from a reliable source:-

2. "A meeting of the Central London Branch of the Irish Solidarity Campaign was held at the 'General Picton' P.H, Killick Street, N1 on 3.9.71 from 8 pm to 9 pm. The chairman was Privacy and there were about 20 persons present.

3. The first item on the agenda was the film 'Urban Insurgency' to be shown at the Conway Hall on 10.9.71. Privacy announced that all the arrangements had been finalised and it was hoped it would be a success.

4. Privacy next reported on his visit to the meeting of the Anti-Internment League held the previous Tuesday. 17.10.71 had been set as the date for a big demonstration in London. It was hoped that Trafalgar Square could be used and it has been proposed that demonstrators should march from Shepherds Bush, Kilburn and Camden Town.

5. There followed discussion on whether the ISC should officially support the demonstration which was held on 5.9.71 by CPB(ML). Privacy were opposed to giving support as the CPB(ML) had not supported the demonstration on 15.8.71. Privacy and others took the other view, but after a vote support was rejected.

6. Privacy proposed that members of the Executive Committee should be contacted and asked to organise a meeting, as there has not been an E.C. meeting for several months. Privacy suggested that when such a meeting was held that a National Conference should be organised.

7. The following were among those present:-
