ANY OTHER INFORMATION :

Privacy is an intelligent man of abstemious habits. He is a dedicated "revolutionary" devoted to the overthrow of the establishment with the subsequent control of the country by a "workers' Government". As such his life has been spent attending political meetings, taking part in extremist demonstrations and drafting leaflets and articles for use in left-wing publications.

Privacy he has been active in the affairs of the Vietnam Solidarity Campaign and Black Power. He has the usual attitude of coloured people towards police and authority.
