1. The following information has been received from a reliable source:-

2. "Abhimanyu MANCHANDA, General Secretary of the Revolutionary Marxist Leninist League, now considers the position to be a full-time one and has awarded himself a small weekly payment out of the organisation's funds. It is believed to be in the region of £3 or £4. His wife, Diane LANGFORD, works full-time as a temporary typist through the Argyll Staff Bureau, 18 Tottenham Court Road W1.

3. MANCHANDA considers that this is a practical experiment in the field of Women's Liberation as he remains at home to look after their young baby, born in Privacy 1970, while his wife is out working."
