

D. 5 Branch.

16th December, 1958.

D. 2.

1 I discussed the report on Detective Constable  
HN322 with him on the 10th December, 1958.

2 After considerable discussion HN322 elected  
to remain in Special Branch because he wished to make  
his career in this Branch.

I discussed the matter with Commander Smith,  
Special Branch, and he is aware of the position  
and will try to ensure that the Constable broadens  
his experience wherever possible within Special  
Branch.

No further action is necessary at this stage.
