**EMERGENCY
CONFERENCE**

SUNDAY, 22nd JUNE...11am.

**UNION TAVERN
KINGS CROSS ROAD, EC1.**

ALL REVOLUTIONARIES WELCOME.

MEMBERSHIP CARDS AVAILABLE AT THE CONFERENCE.

EMERGENCY CONFERENCE This has been necessitated by the disruptive activities of a small group of executive members, among them Bateson, Ibrahim and Ritson, who have refused to hand over to the elected treasurer London RSSF funds, issued forged copies of our organ REVOLUTION slandering other executive members, set up an illegal "steering committee" to take over the duties and responsibilities allocated to the executive by the founding conference, and have refused to carry out the Manifesto of the organisation, on one occasion ~~with~~ with members of the YCL against condemnation of the invasion of Czechoslovakia by the Soviet social imperialists.

Accordingly the first item on the agenda will be the secretary's report and review of the work of London RSSF since the founding conference incorporating a detailed examination of the disruptive activities of the above-named group, all of whom have been notified by recorded delivery of the conference called in accordance with the wishes of the membership.

The second part of the agenda will concentrate upon the task of base-building in colleges and schools, the training and ideological education of new cadres, and the role of London RSSF in co-ordinating and leading the struggle and drawing up a planned programme for future work.

Recognising that the growth and development of London RSSF as a revolutionary youth organisation is essentially a part of the rising revolt of students and workers against the system of imperialism and monopoly capitalism, exploitation and racialism, and the deep crisis of imperialism, headed by the U.S. and Soviet social imperialism, the third section of the agenda will consider the fundamental task of concretely integrating, in accordance with the Action Programme of London RSSF, the struggle of revolutionary students and intellectuals with that of the working class for political power against a background of the current intensification of the victimisation of student and worker activists.

ADMISSION TO CONFERENCE Conference will be open to all members. Membership cards will be available at the door for comrades wishing to join there. An application form is attached. Comrades who wish to attend from other cities are welcome.

LONDON RSSF WEEKLY MEETINGS take place in room 229, Little Titchfield St. Annexe, Regent St. Polytechnic, W. 1. (nearest tube station Oxford Circus). The meetings are attended by students and workers who discuss together the problems of building a revolutionary youth movement. Discussions incorporate study of the relevant works of Marx, Engels, Lenin, Stalin and Mao Tse-tung and encourage the unity of theory with practice. All students, teachers and workers welcome. Time 7.30p. m. Wednesdays.
