Remarks: Bill HYDE, Peter and Michael BORRINS gave long, spontaneous, revealing accounts of their early "awakening" to left-wing politics. They were questioned by other members of the group as to their political background and beliefs.

Then followed an analysis of the Easter Monday demonstration; most members were disappointed at the apparent lack of impact that Camden V.S.C. had on the march.

Geoff RICHMAN then gave a short talk on his hopes for the future of Camden V.S.C. No new details came to light.
