SUBJECT Anti-
Internment League

1. The following information has been received from a reliable source:-

Reference to Papers
400/72/100

2. " **Privacy** " is shortly to resign from the Anti-Internment League and his successor will probably be Gery LAWLESS of the International Marxist Group. If as expected LAWLESS takes over the AIL this organisation will probably cease to exist in its present form. LAWLESS is expected to force the Irish Solidarity Campaign section of the AIL into an even more sectarian mood and thus bring about the departure of International Socialists from the organisation.

3. The AIL, already weak from the political in-fighting of the various groups constituting it, would certainly collapse if the IS contingent were to leave.

4. Special Branch references are given in the attached appendix.
