THE RED CIRCLE: THE DISCUSSION CENTRE FOR EVERYONE INTERESTED IN  
THE SOCIAL REVOLUTION IN OUR LIFE-TIME.

All over the country, Red Circles have been set up around The Red Mole. We in North London meet every Tuesday evening at 8.00pm. at 182, Pentonville Road, N.1 just near King's Cross Tube. Each week a member of the Red Circle or someone engaged in a particular field of work will present a talk (see below). But the essence of the Circle is the discussion which follows. There will also be discussions on the content of the paper.

Below we have given you a list of proposed discussion topics. Don't forget to bring your friends if they are interested. We are also preparing a reading list for those who want to pursue a particular topic in greater depth.
