1. The following information has been received from a reliable but delicate source:-

1. The Israeli Minister of Police, Mr Shlomo Hillel is to attend a Young Poale Zion meeting at Bet Berl, 19 Dudden Hill Lane, NW10 at 8 pm on Saturday 20 January 1973 (345/72/61). It is not possible at this stage to estimate the likely support for the demonstration; much depends on the success or otherwise of the large scale 'Vietnam' demonstration in Central London earlier in the day which IMG intend supporting in strength. If the anti-Zionist demonstration is to have significant support IMG will have to make an appeal at the earlier demonstration.
