1. The following information has been received from a reliable source:

2. Privacy of Privacy, has regularly attended meetings of the Central London Branch of the Irish Solidarity Campaign for the past 9 to 12 months. Since January of this year she has been 'contacts' secretary and has been responsible also for arranging speakers for ISC Forums. She also has taken a keen interest in AIL activities. It was Gery LAWLESS who proposed her as contacts secretary and although she was obviously friendly with LAWLESS at no time has it appeared that she would be likely to take over Privacy as LAWLESS' mistress.

OF 2227

3. Privacy's description is:

Born about 1948/50; height about 5'7"; medium build, light brown shoulder length hair, has slightly protruding teeth; always dresses cleanly, speaks with a slight lisp."

4. Privacy has come to the notice of Special Branch on three previous occasions. When Privacy's address was searched in March Privacy her name was found on correspondence. In a similar search at Privacy's home, also in March, her name was included on an 'Irish Citizen' circulation list; Privacy was also present at the Second Annual Conference of the ISU in April of this year.

5. Special Branch references are given in the attached Appendix.
