Reference to Papers

"The STST is organising a demonstration to coincide with the arrival of the South African cricket team at Heathrow Airport - London on June 1 1970. As it is anticipated that the team may well arrive in the early hours of the morning arrangements are being made to hire coaches the day before which will collect STST supporters and convey them to the Airport where they will hold an all-night party, and thus be prepared to 'welcome' the South Africans when they arrive."
