SPECIAL BRANCH

2 day of October 1972

1. The following information has been received from a reliable source:-

"On Saturday 21 October, 1972 a demonstration against 'Racism' will be held in the City of Leicester. International Socialists intend to support this demonstration, as in their view the National Front is very strong in this area. IS intend sending seven coaches to carry IS comrades from London to the Leicester demonstration.

Privacy London region organiser of IS, is making the necessary transport arrangements. Although precise details are not yet known these will probably come to hand in due course."
