TO [REDACTED] 6 day of August 1973  
RE [REDACTED]

SUBJECT  
International  
Socialists

Reference to Papers  
9/73/103

1. The following information has been received from a reliable source:-
2. "The London Regional Committee of International Socialists have set up a Commission of Inquiry to look into the composition and work undertaken by Fulham & Hammersmith branch of the group.
3. It would appear that this action has been taken as a result of a high proportion of white collar worker and academic members compared with other branches and the lack of any real prospects for involvement in industrial matters in the area.
4. Members of this Commission include [Privacy] the [Privacy] Regional Organiser and [Privacy] the [Privacy] District Secretary. They have stated their intention of examining the branch in detail and re-organising as they feel necessary.
