1. The following information has been received from a reliable source:-

2. West London Region of International Socialists have decided to take an active part in the forthcoming Uxbridge by-election in order to counter the racist elements involved. Three extreme right wing candidates are standing on an anti-immigration platform, and due to the proximity of Southall, IS propaganda is seen as being of the utmost importance.

3. The IS branches involved in this campaign will be Harlesden, Uxbridge, Hounslow and Uxbridge and Harlesden. It is intended that the campaign will take the form of leafletting, paper sales, street meetings and a demonstration in the area, within the next 2 weeks. A demonstration has been called in Uxbridge for Saturday 2 December and all members of West London branches will be expected to attend. Final details of this function have yet to be settled and will be submitted in due course, when they become known.

4. Although no Uxbridge branch of IS exists the above activities will be under the auspices of Uxbridge IS, and members involved in these activities are to state that they are from Uxbridge. It is thus hoped to be able to set up a genuine Uxbridge IS branch at the end of the campaign from the contacts made in the area. This is seen as a possible proposition as two active shop stewards who are members of Uxbridge branch live in Uxbridge and could form the nucleus of a new IS branch.

5. Privacy Organiser, appears to be the driving force behind the campaign, but leaflets and general propaganda will be drafted by Uxbridge and Harlesden branches and then printed at Cotton's Gardens.

6. Privacy is the subject of Privacy
