2. On Wednesday 13 October 1976, between 7 pm and 9 pm, at 23 Golden House, Deptford, SE8, a regular business meeting was held of the South East London sub-area of the International Marxist Group. Six persons were present, Privacy the chairman, conducted business at a brisk pace.

3. It transpired from Privacy report on the Deptford Anti-Racist Campaign that this body has so far withstood attempts by the IMG to regularise its functions and introduce certain organisational norms of procedure. The task was allotted to Privacy and Privacy of drawing up a perspectives document to present to the next meeting of the DARC for discussion. It was agreed that Tariq Ali should be approached to speak at a public meeting to be called by the DARC on 3 November 1976 and that the IMG should seek to gain the widest possible support for this meeting from local trade unions and Constituency Labour Parties.

4. Privacy reported presented to the meeting a draft letter urging support for the attempts by the South East London Campaign Against the Cuts (SELCAC) to build a public meeting on the evening of 17 November. It was agreed that this letter, with certain alterations, should be distributed to all contacts of the SELCAC and to Greenwich and Lewisham Trades Councils.

5. Privacy at the close of the meeting, announced his desire to resign from the position of sub-area organiser and nominated Privacy as successor: the meeting agreed to consider this issue at a later date."
