\*In further reference to the 'Carr Bombing' Privacy Privacy of Agitprop has said that even though the women taken to Barnet Police Station on 11.2.71 had knowledge of the affair they were not responsible as 'it was two men who planned and executed the whole incident'. Privacy apparently went to Barnet as he feared police might 'frame a charge on the women'. One of the Women's Liberation Movement representatives Privacy met at Barnet that day is now known to be Privacy

2. Privacy is the subject of Privacy Agitprop is the subject of 400/69/34.
