RESTRICTION ORDER UNDER SECTION 19 OF THE INQUIRIES ACT 2005

UPON the Chairman being satisfied for the reasons set out in the closed note accompanying the ruling dated 18 February 2021 that fairness, the weight of the public interest and compliance with section 6 Human Rights Act 1998 read with the European Convention on Human Rights require that there should be an order restricting:

- (i) the publication of HN89's real and cover identity; and
- (ii) the disclosure of HN89's real and cover identity beyond that which is necessary to ensure the fulfilment of the Inquiry's terms of reference in accordance with paragraph 4 below;

AND UPON the Chairman considering his power to make a restriction order under section 19(2)(b) of the Inquiries Act 2005 read with section 19(3) thereof;

IT IS ORDERED THAT until further order:

1. This order binds all persons and groups of persons (whether acting by themselves or by their servants or agents or in any other way) including bodies corporate and organisations (whether public or private), unincorporated associations, police forces and other law enforcement and government bodies and agencies and all companies (whether acting by their directors or officers, servants, agents, or in any other way).

2. There shall be no disclosure or publication made of any evidence or document given, produced or provided to the Inquiry which discloses HN89's real or cover identity (including any description or image capable of identifying HN89).
3. There shall be no disclosure or publication made of any evidence or document given, produced or provided to the Inquiry which has the effect of disclosing HN89's real or cover identity, or contributing to such disclosure, and which the person responsible for the disclosure or publication knows or suspects will have that effect.
4. This order does not prohibit:
 - a. Disclosure to the Commissioner of Police of the Metropolis ('the Commissioner');
 - b. Disclosure to current employees of the Commissioner or of any other law enforcement agency or state body to whom disclosure of HN89's real and/or cover identity is required during the course of their employment and in order to fulfil the terms of their employment;
 - c. Disclosure by or with the consent of the Inquiry to current or former employees of the Commissioner or of any other law enforcement agency or state body to whom disclosure of HN89's real and/or cover identity is required for one of the following purposes:
 - i. To enable that person to provide evidence to the Inquiry about their contact with or knowledge of HN89 which arose out of their employment by that organisation (for example, a person who managed or supervised HN89);
or
 - ii. To enable that person to provide evidence to the Inquiry pertaining to the contents of a document which reveals the real and/or cover identity of HN89 (for example, a person who was or who is believed to have been the author or a recipient of such a document).
 - d. Disclosure to the legal advisers to any person described at (a), (b) or (c) above, whose names will be notified in writing to the Inquiry in advance of any disclosure being made.
5. For the avoidance of doubt, any person to whom disclosure of the real and/or cover identity of HN89 is made in accordance with paragraph 4 above remains subject to the prohibitions at paragraphs 2 and 3 in relation to any onward disclosure or publication, save insofar as, and only to the extent that, such disclosure is made to another person or persons identified within paragraph 4 or to members of the Inquiry team.
6. Any person affected by any of the restrictions set out in paragraphs 2 and/or 3 above may apply to the Chairman to vary this order.

7. For the avoidance of doubt, this order does not bind the Inquiry team, which shall take its own measures to ensure that information the subject of this order is not disclosed in such a way as to undermine its intended effect.
