Special Report

SPECIAL BRANCH

4/75

25th day of July 1975

SUBJECT

TOM

Reference to Papers

400/75/97

1. The following information has been received from a reliable source:-

2. "The South East London Branch of the Troops Out Movement held their regular Monday evening meeting at Charlton House, The Village, SE7 on Monday 21st July 1975 from 8 pm until 10 pm. Eleven persons attended the meeting which was chaired by Privacy

3. In the main discussion centred upon the 'Week of Action' and consisted of a self critical analysis. It was generally thought that the Branch had been over ambitious in attempting so many varying activities without some thought having gone into the planning at a much earlier stage. The feeling was that it would have been more successful had fewer events been arranged.

4. There followed a report from Privacy, a guest from Greenwich Trades Council, on the recent visit to Belfast of the Greater London Trades Council Delegation and the trouble which followed the expulsion from the delegation of the three members who supported the TOM line; these three had expressed a desire to see members of the Republican Movement as well as speaking to pro-loyalist organisations. Privacy then said that he had recently been appointed secretary of Greenwich Trades Council and was now in a slightly better position to push for the Trades Councils affiliation to TOM.

5. Most of the other business which came up for discussion was of a routine nature and little of interest was discussed."
