1. The following information has been received from a reliable source:-

2. "The South East London Branch of the Troops Out Movement held their weekly meeting at Goldsmiths College, Lewisham Way, SE14, on Monday 28th April 1975. The meeting began at 9 pm and ended at 10.30 pm. Ten persons attended and the meeting was chaired by **Privacy**

3. The evening began with an educational talk on Ireland by **Privacy**. At the outset she announced that her talk would be on the situation in Ireland and the solution to that problem as seen from an RCG point of view. The talk lasted some twenty minutes and was followed by 45 minutes discussion centred basically upon anti-recruitment, which was seen by the RCG as a diversionary issue.

4. The remainder of the meeting was devoted to routine business matters and mobilisation for both May Day and the following evening's showing of the film 'Ireland Behind the Wire' at Goldsmith's College. It was agreed in principle to hold a SE London TOM public meeting on May 21st at Charlton House, SE7 and that **Privacy** be asked to address the meeting."
