Troops Out

Movement

Reference to Papers

400/75/139

1. The following information has been received from a reliable source:-
2. "The London group of the 'Big Flame Ireland Commission' (BFLIC) met at [Redacted] Privacy, the home of [Redacted] Privacy, between 6pm and 11.15pm on Wednesday 17 September 1975. The meeting, which was attended by six persons, was chaired by [Redacted] Privacy.
3. The meeting began with an informal discussion, introduced by Richard CHESSUM, on the virtual takeover of the South East London Branch of the Troops Out Movement by members of Workers Fight and the Revolutionary Communist Group. Nothing definite was decided by those present but it was suggested that a breakaway branch be formed, possibly in Woolwich, where the South East London Branch had all its Labour Movement contacts.
4. Rick GIBSON then gave a talk on the current situation in Northern Ireland, but nothing of particular interest was mentioned.
5. The only other item to be discussed was a draft document prepared by [Redacted] Privacy for submission to the forthcoming National Delegates Conference of the Troops Out Movement. It was reported that a large number of amendments had to be made to the draft, but it was hoped that the document would be ready to be included in the TOM internal bulletin before the conference."
