Broadway
LONDON SW1

11 April 1978

Dear Gilbert,

Thank you for your letter to Robert Andrew of 4 April about the Special Demonstration Squad within Special Branch.

We certainly accept that the information obtained through these arrangements is still valuable, and I am grateful for your assurances about the security aspects. This letter may be taken as authority to continue with the arrangements and to incur expenditure of £11,200 in 1978/79.

Yours sincerely

David Heaton
