1. On 29.7.71 I was present at the Committee rooms, Clapham Public swimming baths, Clapham S.W.4, where a meeting of the South West Spartacus League was held. Brian GROGAN, who has previously come to notice as an active member of the I.M.G., was the guest speaker at this meeting and during the course of a conversation with him, I was invited to attend a meeting of the I.M.G. which was to take place at his home.

2. This evening at 7.30pm I went to GROGAN's home, [Privacy] where a meeting of the I.M.G. was to have been held. I was told by an occupant of another of the flats in the house, that Brian and [Privacy] had left for the New Forest at 5pm that evening and weren't expected back until the evening of Wednesday 4th August. He said that most of those normally attending the meetings were now expected to be going to the I.M.G. training camp in the New Forest and for this reason didn't think that the meeting would take place. However he suggested that I returned later in the evening to see if anyone else had turned up. At 9pm I returned to the house and was told that no one had in fact arrived for the meeting and he suggested that I should telephone Brian later in the week.
