METROPOLITAN POLICE

report

SPECIAL BRANCH

9 day of June 1970

1. During the course of recent enquiries regarding the 'Stop the Seventies Tour Committee' the undermentioned information was obtained from a reliable source:-

Johnathan ROSENHEAD and five other persons, including Privacy and Privacy, met in ROSENHEAD's rooms at the London School of Economics on a number of occasions during April and early May this year and decided to form a front organisation known as 'The Keep Politics Out of Cricket Committee'.

2. It is said that the purpose of this committee was to attract cricket lovers by asking them to circulate a petition to save the 70's Tour. It was then hoped to invite the signatories to attend the relevant cricket grounds on the pretence of keeping law and order, which would have resulted in a confrontation with demonstrators and police. Due to the cancellation of the Tour, it was not ascertained how this group intended to carry out their scheme but it is known that the use of forged tickets and/or a letter purporting to be from the MCC was suggested.

3. In order to ensure that the organisation appeared authentic, ROSENHEAD enlisted the help of Privacy, a personal friend of both Privacy and ROSENHEAD, who had not previously taken part in any STST activity, and as a result Privacy was nominated chairman of 'The Keep Politics Out of Cricket Committee'.

4. On 11.5.70, and on the next three days, the following message appeared in the personal column of the Daily Telegra

'Cricket lovers help circulate a petition to save t 70's Tour. Keep Politics Out of Cricket. Write C.L. 11182, Daily Telegraph, E.C.4.'

A similar insertion appeared in the personal column of th for four days starting 15.5.70 giving the address as Box The Times. Both entries were phoned to the respective ne by Privacy with the instructions that the invoices and re were to be forwarded to Privacy at his home address.

5. The Tour was cancelled on 22.5.70 after a week of speculation and it is most probably for this reason that no answers were received by those who had replied to the Box numbers. Nothing further has been heard of this committee and it is presumed that it is now defunct.

6. Privacy resides with Privacy at Privacy, where he earns his living as a Privacy; he previously worked for Privacy. He is the owner of a Citroen saloon motor car, registration number Privacy.

7. Privacy is employed in the Privacy department of the Privacy, that he is identical with Privacy and it is believed Privacy who qualified in 1967. Privacy is identical with Privacy in 1967. Privacy is an STST meeting held at Peter HAIN's address on 12.12.69 (371/69/55A-65B refers). He cannot otherwise be identified as having previously come to the notice of this Branch.

8. Privacy Peter HAIN and Johnathan ROSENHEAD are the subjects of RF Privacy, RF.405/69/702 and RF.405/68/166 respectively. Amnesty International is the subject of 400/67/91.
