1. The following information has been received from a reliable source:-

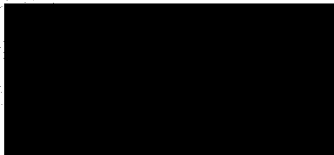

2. "The recent week of action, which was held at Goldsmiths College to coincide with the National Union of Students Week of Action, was a near total disaster from the point of view of the organisers, a small group of extreme left-wing students. The highlight of the week should have been a mass boycott of the refectory on Wednesday 26.2.75, followed by a sit-in at the refectory. In the event, it provided another failure as the alternative food, ordered by the organisers, failed to arrive."
