"On Thursday, 20.1.72 from 8 pm to 10.30 pm at 90 Fawe Park Road, SW15, the four monthly general meeting of the Putney branch of Young Liberals was held. Fourteen persons attended.

The primary object of the meeting was to elect officers for the next four months, review action taken since the last general meeting and to discuss future organisation and campaigns.

Peter HAIN, the honorary President of the Putney branch, chaired the meeting and after a lengthy discussion it was decided by a show of hands that the branch should follow a more general plan of action than was previously mooted for the 'urban crisis' campaign. The campaign would now incorporate in one scheme a variety of environmental goals, as opposed to specific objectives such as the proposed assault on the 'Battersea smell'.

Nominations were taken for the executive posts of Chairman, Secretary, Treasurer and Membership Secretary and the following persons were elected to those positions:-

Chairman	-	
Secretary	-	Privacy
Treasurer	-	
Membership Secretary	-	Mike SCOTT

A brief discussion followed on the forthcoming National Y.L. Conference to be held in Morecambe this Easter and Peter HAIN expressed a wish that the Putney branch be very well represented. The meeting was concluded.
