1. The following information has been received from a reliable source:-

"On Thursday 15th July 1976, at the Public Rooms, South Street, Isleworth, the West Middlesex Branch of the Worker's League held a business meeting. The meeting lasted from 8.30pm to 9.45pm and was attended by 9 persons.

2. The main discussion of the evening was concerned with race work and the conclusion was reached that there was no point in adopting the International Socialist line of trying to recruit blacks for the sake of membership figures. There had to be an attempt to educate prominent Asian community leaders in Marxist philosophy.

3. It was then decided that a joint meeting would be arranged between the Workers' League, South Asia Socialist Forum and the ex-Black Caucus of I.S."

4. The following persons attended the meeting:-
