1. The following information has been received from a reliable source:-

2. "On Thursday 15 July 1976, between 7pm and 9pm, at 23 Holden House, Deptford, SE8, a routine business meeting was held of the South-East London International Marxist Group. Four persons were present.

3. Privacy the area organiser, delivered an incomprehensible report on his talks with Privacy South-West London area organiser, concerning a merger and creation of a South London area IMG. Following this, he had to leave in order to attend another meeting.

4. In his absence, a well-informed discussion took place on anti-racist work. It was agreed that three members from the area should attend an informal meeting called by the International Socialists for the following Monday, to decide what united front anti-racist activity could be carried out in the Deptford area.

5. Finally, a proposal by Privacy area treasurer, that an area levy of £1 per month should be paid by all members to finance comrades attending other meetings of the IMG, was accepted."
