1. The following information has been received from a reliable source:

Reference to Papers

600/77/121

2. "On Thursday, 8 September, 1977, commencing at 8 pm, the newly formed Hornsey Branch of the Socialist Workers Party will hold its first public meeting at the Small Hall, Edison Centre, Edison Road, N8. The speaker will be Paul FOOT, who will discuss the topic 'Why you should be a socialist'.

3. The person responsible for the formation of this new branch is [Privacy] who until recently regularly attended meetings of the Hayes Sisters Branch of the Party with his common-law wife, [Privacy]. It has been evident for some time, however, that [Privacy] was intent on forming a branch to cater specifically for persons living in the Hornsey and Crouch End areas and this latest move will doubtless satisfy his wishes.

4. It is of interest to note, in this connection, that Steve JEFFREYS will shortly be moving to [Privacy] and has intimated that he will try and obtain the services of 'this senior party member' to assist in building the Hornsey Branch into a viable proposition."
