

METROPOLITAN POLICE

S.B. No. 1 (Fimsy)

SPECIAL BRANCH

Special Report

24 day of February 1976

SUBJECT

AWA

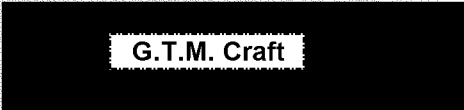

Reference to Papers

400/75/114

1. The following information has been received from a reliable source:

2. "It is rumoured in some areas of the Anarchist Workers Association that meetings are to be held between the AWA and members of Social Revolution. It is suggested that the Solidarity group should be invited to later meetings.

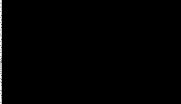

3. This is seen as an attempt to hinder the re-emergence of the Anarchist Federation of Britain."
