Special Report

SPECIAL BRANCH

16th day of October 19 80

SUBJECT

1. The following information has been received from a reliable source:-

2. "Workers Power are currently holding discussions with the Irish Workers Party with a view to forming an alliance. They are also discussing with the West German organisation 'Spartacusbund', with the intention of forming an international alliance.

3. It should be noted that although the Spartacist League (Britain) has been trying to gain influence amongst Workers Power members in recent weeks, the 'Spartacusbund' is not in fact part of the International Spartacist Tendency and it is thought that Workers Power, at the present time, have no intention of discussing co-operation with the Spartacist League (Britain)."
